

GUIDE DOG PUPPY RAISING – TRAVEL FORM

This completed form is to travel with a dog when transported from one person to another. The information on the form will not only help to insure proper care for the dog at its destination but will help him acclimate better to his new surroundings. Thank you for filling the form out carefully and completely. **Please send with the puppy: This completed form; Prescribed medications; Special foods; Heartgard or flea control if due during stay. Always ask Puppy Sitter if they need a crate.**
